EMİR VE SİHİRLİ ÇÖP KUTUSU

Emir and the Magic Bin

Emir was playing in the park after school. He saw a shiny bin. There was a small note on it:

"If you use me right, I have a surprise for you!"

Emir was surprised. He had an empty water bottle in his hand. He threw the bottle into the bin. But the bin shook and a thin voice came out:

"Wrong bin! I am a recycling bin. You should throw plastic into me!"

**YANLIŞ
KUTU! BEN GERİ

KUTUSUYUM.
PLASTİĞİ BANA
ATMALISIN!**

When Emir put the bottle into the recycling bin, the bin suddenly lit up.

"You did it right! Here is your surprise!" it said.

The bin showed a picture: a clean sea, happy fish, and a sparkling world.

"If everyone recycles, our world would look like this," said the magic bin.

Emir was very happy. After that day, he started to separate the cardboard, plastic, and glass at home.

At school, he told his friends:

"If we throw trash in the right place, the world becomes more beautiful!

Magic isn't real, but doing the right thing is like magic!"
